

Mezzacello: Home Is Where The Lab Is

My home and my non-profit Mezzacello are the same place. This is the future of food security, creating networked gardens.

Versailles at Mezzacello

A chance find of former Victoria's Secret storage displays at H4H ReSTORE will soon become Versailles-style planters at Mezzacello.

Reframing of Farming From The Bottom Up

The Inverted Resource Pyramid and the future of food and life in general. We need to start from the bottom up.
