

Robots, Chickens, and Ducks

A photo is from 2019, before I redesigned my coop system to sanitary specs. I should be in boots, The robots have always been here.

Versailles at Mezzacello

A chance find of former Victoria's Secret storage displays at H4H ReSTORE will soon become Versailles-style planters at Mezzacello.

Winter Work Work Work!

Even in winter the work needs to happen! The chickens, ducks, rabbits, fish, crickets, worms, and mealworms don't feed themselves!

Just The Right Light

A great view from the part of the house at Mezzacello literally begging for a revamp! It's a makeover montage!

A Cold Winter's Day At Mezzacello

A glimpse of the interior of Mezzacello and the challenges of living in an older house that was originally a farmhouse.

Raccooning On An Urban Farm

Contrary to what Urban Dictionary thinks, raccooning is the fastest way to failure on an urban farm.

Spring 2021 and the Brunerform

An update on the gardens this spring and a candid little confessional and observation on Spring, Beauty, Life, and Fashion.

New Mezzacello Portrait

This is the New Mezzacello Portrait. It was designed by our neighbor and talented friend, Gabriel Gatton. It may be my favorite thing ever! Read more!

The Foodist: Blueberry Galette with Rosemary Crust

A delightfully simple savory blueberry and rosemary galette that will impress ANYONE AND sell your house!
